Margaret's should make
them payable to:

**RC Diocese of Argyll and
the Isles Lochgilphead
Mission**

Responsorial Psalm:

*I will bless your name for
ever, O God my King*

Children's Mass: A children's mass is planned for Friday 20th of May at 6:30pm, please pass on our invitation to all families with children to join us at this service, this is an opportunity for the younger members of our parish community to meet as a group for the first time in over 2 years.

Parish Council Meeting: The next parish council meeting will take place on Monday 16th of May, please speak to Fr Henry or drop him an email if you have any points that you would like to raise at this meeting.

Calling all children and young people!

The environment is something we know you're passionate about. How would you like to help halt climate change by helping to make St Margaret's garden a home for birds and bees, perhaps hedgehogs and squirrels? How would you like to grow vegetables that will reduce our carbon footprint AND feed this in need?

We know you can help make St Margaret's a Laudato Si Garden (Laudato Si is the document Pope Francis wrote to help us care for our common home). Talk to Fr Henry or Cecelia Rees and let's get started!

Parents & grandparents - please pass this on to the young ones.

MOMA has a shortage of jars of coffee and UHT milk at the moment - can you help, please? MOMA also gives out "comfort packs" with the food parcels. These include toilet paper, soap, shower gel, washing up liquid, laundry liquid, toothbrushes, and toothpaste. Please put any donations in the MOMA box in the porch. MOMA is, as always, very grateful for all that St Margaret's parishioners do.

Entrance	310	Hail Redeemer King Divine
Offertory	122	All That I Am
Communion	681	This Is My Body
Recessional	133	A New Commandment
